SAFEGUARDING AUDIT
In January, an independent body will be auditing the Safeguarding procedures of the Diocese. In preparation for the audit, they are seeking to gather as much information from members of congregations, clergy and lay ministers, PCC members AND people from the local community. This information is being gathered by means of a short survey. The survey will be live until November 11th and we are encouraging as many people as possible to fill it in. You can access the survey online here: https://ineqe.com/churchofengland/norwich/ Alternatively, if you'd prefer a paper copy to complete, please contact Gemma Eglington or Harry Waterman, our Parish Safeguarding Officers. Please try to encourage neighbours and friends, even if they're not part of our worshipping community to consider responding to the survey as well.

Safeguarding Audit Questionnaires
If you're unable to complete the Safeguarding Audit online or use QR codes, printed questionnaires are available at the back of the church. Please take a copy and share your feedback – your views are important to us!
